

Williams-Rivers • Family Tree Questionnaire

Hello from Chicago!

I am Eric J. Williams, son of Earl Nathaniel Williams and great-grand-son of Dennis Williams. I am updating and expanding the research on the Williams-Rivers Family tree which descends from Grandma Mandi who was brought to America as an abducted slave in 1821.

We are updating the family website (williams-riversfamily.org) to include a family tree and family history information. Your assistance will help immensely in our research. We would very much appreciate it if you could complete this family questionnaire with as much information as you can —about your branch of the family. Oral history is extremely powerful, so if there are questions you cannot answer, an elder in your branch of the family might be able to help fill in the blanks.

We want to make sure that when we upload the family tree to the website, we have as much detail as possible about each branch of the family. Please return this form to:

Eric J. Williams, 7129 S. Prairie Ave. Chicago, IL 60619.

You may also fax completed forms to 773-224-0720.
